Now in its Fourth Edition, the Getty-Dubay® Italic Handwriting Series is successfully used in public, charter, private and homeschools around the world.

Each workbook in the Series energizes the student's natural curiosity and thirst for learning. Its unique "Look, Plan, Practice" approach to self-evaluation enhances legibility while empowering students toward the goal of handwriting success.

The Series is a comprehensive program that contains everything you need to teach legible handwriting to students of all ages and skill levels, with helpful tips, illustrations and creative practice materials. All books are 8.5 inches x 11 inches.

The natural way to write!

Legible

No loops! Italic letterforms are clear and uncluttered.

Logical

Easy transition! Letters stay the same from printing to cursive.

Natural to Write

The elliptical shapes and strokes of italic conform to natural hand movements.

Easy to Teach

The Series provides a clear, concise, step-by-step approach with hands-on practice.

"Many parents have thanked me for helping their child develop this attractive, legible handwriting."

Vicki Swartz
National Teachers Hall of Fame

"I'm thrilled with the precision and easy-to-read style my five children have learned!"

Wendy Shaw
Homeschool parent/teacher

"I changed my handwriting to italic! I support the Getty-Dubay Italic Handwriting Series as a great way to teach children how to write."

Mike Mitchell
Elementary public school principal

Book B
 1st grade
 GDP108B
 \$13.75

Presents lowercase and capitals with a short word and sentence on each page. This book is a lot of fun for the student! Includes numerals. Letter height 11 & 9 mm, 64 pages.

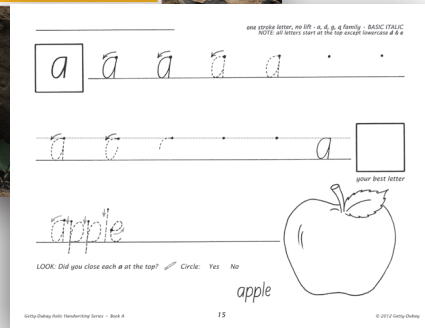

Basic Italic

The foundation of writing: Basic italic letterforms remain unchanged as the student progresses to cursive in subsequent books.

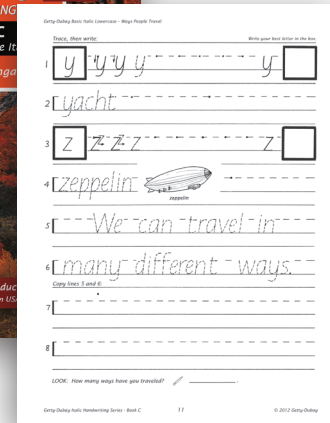

Book A
 Kindergarten
 GDP108A
 \$13.75

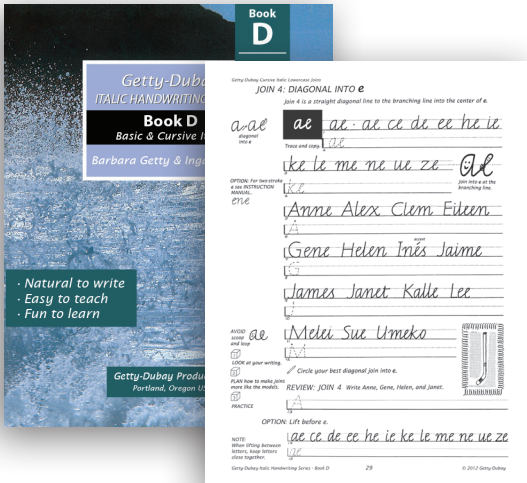

This first book in the Series provides practice with basic shapes and introduces basic italic lowercase families, capitals and numerals, with friendly illustrations and plenty of space for writing and drawing on each page. Letter height 14 mm, 72 pages.

Book C
 2nd grade
 GDP108C
 \$13.75

This is the transition book from basic to cursive italic. Basic writing practice themes: modes of transportation, days of the week, months of the year, and sentences. Capitals practice: cities of the USA. The simple transition to cursive italic is introduced. Includes numerals. Letter height 9 & 6 mm, 68 pages.

Book D
3rd grade
GDP108D
\$13.75

This book provides energizing writing practice for basic italic and cursive italic. Includes vowel and consonant sounds, prefixes, suffixes, phonograms, tongue twisters and six poem forms. Cursive capitals are introduced with historical development. Letter height 6 & 5 mm, 88 pages.

Book F
5th grade
GDP108F
\$13.75

Figures of speech of the English language are used for cursive writing practice. Includes synonyms, antonyms, similes, metaphors, word origins, onomatopoeia, pangrams, analogies, oxymora, tongue twisters, palindromes and the history of letters. Getty-Dubay® Italic Calligraphy: for School & Home

GDP116
\$29.95

Fall in love with letters with this handsome, hands-on introduction to calligraphy for students from 7 to 97. Internationally recognized calligrapher Inga Dubay takes you from your first strokes all the way to writing pangrams and quotations, with a window into the wondrous history of letters. You will find all the information you need to explore the benefits and beauty of calligraphy in school or at home. Includes word roots, most used words, greeting card design, and more. Letter height 14 and 8mm, 64 pages.

“Calligraphy practice using Inga’s lessons is a transformative experience for my class. Students beg for more, and several have developed their own hand.”

Zachary Vestal, 4th grade teacher, Portland Public Schools

“Inga’s course worked wonderfully with my class of homeschoolers. They were excited to come to each class and were proud of their work.”

Rachel Bancroft, Beaverton, Oregon

“Calligraphy allows children to connect to others through time and to approach their written work with the goal of producing something beautiful.”

Deborah Davis, 3rd grade teacher
University of Chicago Laboratory School, Chicago, Illinois

“It’s really calming and feels like an ocean flowing.”

Georgia, 2nd grade student, Portland Public School

Calligraphy with an edged pen for adults.

Italic Letters: Calligraphy & Handwriting
GDP115
\$36.95

For professional and amateur calligraphers, art teachers, and adults who want to learn italic calligraphy

using an edged pen. The teaching method is hands-on — you will learn as you practice writing using models to trace and copy. The practice incorporates the history of writing. Each letter is presented in both monoline form for informal writing and an edged-pen form for an elegant hand. Four italic styles are shown: basic, formal, chancery and cursive. Includes a chapter on design principles. Letter height 10, 7 and 4mm, 128 pages.

“Inga Dubay and Barbara Getty are truly artists and have designed each page of Italic Letters with great clarity, balance, precision and beauty.”

Dr. Betty Edwards, Author
