

In celebration of National Handwriting Day, January 23, 2020

# Handwriting THE CONSTITUTION

WWW.HANDWRITINGTHECONSTITUTION.COM

Come together to quietly hand copy the U. S. Constitution. It is an opportunity for reflection on the meaning and content of this foundation of self-governance, using tools that are available to all of us: pen and paper.

Free copies of the U. S. Constitution will be available for all participants. Bring a writing tool and paper (some paper and pens will be on hand). A free “Handwriting Tips” informational sheet will also be available.

These events are a partnership between Handwriting the Constitution and Handwriting Success.
