Instructions for your Alphabet in Your Pocket book

Materials: sheet of light or medium weight paper and scissors.

A 28 cm x 43 cm (11" x 17") sheet will give a finished size of 10.8 cm x 14 cm (4 1/4" x 5 1/2"). This size will fit an A-2 envelope.

NOTE: In illustrations

dotted line

indicates fold that occurs within the

given step. Solid lines within rectangle

indicate folds

previously

established.

1. Fold AB to CD to establish EF.
2. Open back to original size.
3. Fold AC to BD to establish GH.
4. Fold GH to AC/BD to establish IJ.
5. Open to previous fold (GH/AB/CD).
6. With scissors, cut KL by cutting halfway between GH, stopping at fold IJ.
7. Open to original size ABCD.
8. Refold AB to CD as in #1.
9. Grasp E/AC with left hand and F/BD with right hand, then push hands together, establishing 3 pages on one side and 1 on the other.
10. Fold remaining leaf over the other three pages. Two leaves have folds at the top and two on the fore edge of the booklet.
